### ➔ **Child-on-child abuse**

Reduce trauma with a student focused child-on-child abuse procedure. Ensure both the reporting, and reported, child are protected.

### ➔ **Prevent in practice**

Stay on top of the latest national trends in radicalisation and strengthen your school's safeguarding response.

### ➔ **Improve your attendance procedure**

Staff and monitor your attendance effectively with joined up working in school and strong messaging to engage families.

### ➔ **Safeguarding AI: what you need to know**

Plan for AI with a robust safeguarding policy ensuring you are up-to-date with the latest trends and dangers.

### ➔ **Domestic abuse and relationship abuse**

Confidently communicate with families about difficult topics to maintain strong partnerships with them.

### ➔ **Extraction from County Lines and CCE**

Improve the working relationship between your setting, the local authority and the police to support families that are entangled in crime.

### ➔ **Multi-agency working as an equal partner**

Boost the effectiveness of your interventions with multi-agency collaboration and community engagement.

### ➔ **Safeguarding SEND students: legal challenges**

Record sexualised behaviour effectively and join interactive scenarios based on students with special needs.
